Work History

Complete this section with any work experience you have had (paid or volunteer) in the past two years.

Specific nature of work or job title	Employer	Dates of employment	Hours per week

Essay Questions

Instructions: Please retype the question and then answer each in essay form, using complete sentences and paragraphs. Use as many sheets of paper as necessary. All answers must be typed or computer printed.

Activism and Activities (do not exceed 250 words per question)

1. Describe a student extra-curricular activity that was meaningful to you in high school.
2. Describe any significant community service in which you have participated.
3. What are your interests, hobbies and/or extracurricular activities? Choose one and tell how it has affected your life.

Career and Other Goals (do not exceed 250 words per question)

1. What career goals are you considering and why?
2. How do you envision yourself giving service to building better race relations in your community after completing your education?

Additional Information (do not exceed 250 words per question)

1. What impact has race had on your life?
2. What achievement or accomplishment has made you especially proud?
